# **KEMPSFORD VILLAGE HALL HEALTH AND SAFETY POLICY**

**September 2014 Health**

**and Safety Policy**

## **Part 1 - General Statement of Policy**

This document is the Health and Safety Policy of Kempford Village Hall.

Our policy is to:

- a) Provide healthy and safe working conditions, equipment and systems of work for Management Committee members, hirers, users and other visitors.
- b) Keep the village hall and equipment in a safe condition for all users.
- c) Provide such advice and information as is necessary for Management Committee members, hirers, users and other visitors.

It is the intention of Kempford Village Hall Management Committee to comply with all relevant Health and Safety legislation and to act positively where it can reasonably do so to prevent injury, ill health or any danger arising from its activities and operations.

Kempford Village Hall Management Committee considers the promotion of the health and safety of those who use its premises, including contractors, who may work there, to be of great importance. The Management Committee recognises that the effective prevention of accidents depends as much on a committed attitude of mind to safety as on the operation and maintenance of equipment and safe systems of work.

To this end, the Committee will encourage its members, hirers, users and other visitors to engage in the establishment and observance of safe working and other practices.

Hirers, users and other visitors will be expected to recognise that there is a duty on them to comply with the practices set out by the Committee, with all safety requirements set out in the Hiring Agreement, Fire and Safety Guidelines and with safety notices on the premises and to accept responsibility to do everything they can to prevent injury to themselves or others.

Name: Pete Wolfenden Position: Vice Chairman(On behalf of the Management Committee)

Date: 9<sup>st</sup> September 2015

## **Part 2: Organisation of Health and Safety**

The Kempford Village Hall Management Committee has overall responsibility for health and safety at Kempford Village Hall and takes day to day responsibility for the implementation of this policy.

It is the duty of all hirers, users and other visitors to take care of themselves and others who may be affected by their activities and to co-operate with the Management Committee in keeping the premises safe and healthy.

It is the responsibility of hirers to ensure that adequate safeguards are in place to protect the well-being of the disabled, children and vulnerable adults.

Portable electrical or gas appliances should not be left unattended while operating and all portable electrical appliances used in the hall should be Portable Appliance Tested.

Should anyone using the hall come across a fault, damage or other situation, which might cause injury and cannot be rectified immediately they should inform the Chairman or the Bookings Secretary, as soon as possible so that the problem can be dealt with.

Where equipment is damaged or otherwise faulty a notice should be placed on it warning that it is not to be used and the Chairman or the Bookings Secretary informed as soon as possible.

## APPENDIX 2

### **KEMPSFORD VILLAGE HALL – FIRE AND SAFETY GUIDELINES**

As the responsible person for the event/function etc, you have legal duties with regards to the safety of those persons assisting or attending the event.

Before the event or function you should be aware of:

- Fire protection systems - in the hall there are 2 water fire extinguishers and in the kitchen, 1 CO<sub>2</sub> fire extinguisher, 1 dry powder fire extinguisher and 1 fire blanket.
- Assembly point - people should assemble after they have left the premises in the village hall car park, as far away from the building as possible;
- Identification of escape routes and exits - there are 2 fire doors off the main hall, in addition to the main entrance door; there are currently no exit routes from the kitchen (other than through the kitchen windows) or other areas at the

rear of the property. Note in particular that the door at the rear of the kitchen currently does not open. The side door has a ramp, so this is the exit for wheelchairs.

- How the fire and rescue service and any other necessary services will be called; ensure one of organisers has a mobile phone; note reception in village is poor for many; for the nearest phone box, turn right out of village hall, on right 1 minute down the road.
- Limitation on numbers of people; 80 for sitting, 100 if standing event.
- Checking that all escape routes are clear of obstructions and combustibles - any decorations must not obstruct any of the fire extinguishers, exit doors or fire exits, or cover the fire exit signs.
- Ensure that any electrical appliances brought on site have been suitably tested and are fit for purpose/premises.

At the start of the event or function you should notify all those present:

- There is a strict no smoking policy;
- Location of exits and escape routes; • In the event of an emergency, take only valuables immediately to hand and not to go to collect other belongings;
- The location of the assembly point.

During the event or function you should ensure that:

- Escape routes and exist do not become blocked;
- The no smoking policy is adhered to;
- No naked flames are started (unless authorised e.g. candles);
- The number of persons in your premises is limited or controlled.
